

How I celebrate Christmas

By Jacqueline

Christmas tree decorating

I decorate my Christmas tree
every year and my Elf, Caitlyn,
comes.

Christmas feast

My mom invites her good friends and their children. We eat calamari salad and sometimes spaghetti.

Christmas presents

I get presents every year from Santa and my grandparents too!

What I make with snow

I make snowmen. You might not know what snowmen look like so I will show you what a snowman looks like.

My Elf on the Shelf

My Elf's name is Caitlyn. She is a girl. She is very sweet. If you don't know what a Elf on the Shelf is it is one of Santa's elves. How can you get an Elf you say? This is how you get an Elf you wish for an Elf and Santa will give you one of his elves. This is what my Elf looks like.

End!

When we all go to bed we are all very sad. I wish I could rewind time to this exciting day!
